## 876CHEM POWDER BLAST ALL PURPOSE POWDER DETERGENT

876c-2519

### ✓ PURPOSE & USE

A concentrated industrial strength powder detergent that removes heavy dust, oil, dirt, tough stains and other environmental pollutants from fabrics, for scouring surfaces, pots and pans etc. For use in nursing homes, hospitals, hotels, food service facilities, laundry facilities.

### ✓ FEATURES

- Formulated for Commercial and Institutional use and laundry applications subject to heavy soiling.
- Contains stain dissolving enzymes, an oxygen based germicide and bleaching agent.
- Bleaching agent offers sanitizing properties.
- Less rinsing due to low foaming.
- Prevents soil re-disposition on laundry.
- Enhancing Optical brighteners that provide a clean fresh bright appearance to laundry.
- Concentrated product for economical use.

### ✓ SUGGESTED USAGE

Use for both hand wash and machine wash applications.

**Agitate to dissolve Powder Detergent before using.**

For Hand wash, gloves are recommended

Use 6-8 oz per 100lb load.

For colored items soak for maximum 30 mins.

For the removal of heavy stains and soils presoak between 10 - 30 minutes at 8oz per 100lb load.

For better results against tough stains, use warm water to recommended temperature of the fabric.

For scouring: Wet surface, add detergent and presoak item for 10 - 30 mins.

For soaking operation of pots and pans, heat 50-60 degrees Celsius at 1 lb : 4gallons water

**DO NOT** use with chlorine bleach, as enzyme effectiveness will be lost.
